

We're Looking Forward To Meeting You !!!

Please Bring to Your Appointment:

- A complete & current list of medications, both prescription & over-the-counter
- Your driver's license or picture identification card
- Your insurance card
- Your insurance co-payment or estimated treatment co-portion
- Any x-rays or records that you may be transferring from a previous office.

If you have had dental x-rays taken within one year, we will need a copy of those **AT** your dental appointment. Presenting to your appointment without x-rays may result in an incomplete visit as conditions are not diagnosable without x-rays.
